

U.S. Donor Conceived Council

a voice for donor conceived people

MEDIA FACT SHEET

WHO WE ARE:

U.S. Donor Conceived Council, Inc., is a 501(c)(3) nonprofit devoted to advocating for the rights and best interests of people conceived through donated sperm, eggs, and embryos.

- ❖ **Tiffany D. Gardner**, President/CEO, Vice President of Communications
- ❖ **Melissa A. Bornico**, Vice President of Development, Director of Social Media
- ❖ **Jillian Phillips**, Vice President of Government Affairs, Secretary
- ❖ **Tyler J. Sniff**, Vice President of Legal Affairs, Treasurer
- ❖ **Lindsay Harris**, Vice President of Mental Health Initiatives

LEGISLATIVE GOALS:

- ❖ **Require baseline of unconditional identity release of sperm/egg donors to DCP at adulthood** in the United States to give all donor conceived people the option to learn more about their genetic identity
- ❖ **Set reasonable limits on the number of families** that may use the same gamete donor to reduce the risk of psycho-social harm to donor conceived people
- ❖ **Encourage early disclosure** to children of their donor conception status to avoid the detrimental impact of late discovery
- ❖ **Ensure donors and recipient parents are educated** on the lifelong impacts of donor conception and best practices to protect the interests of donor conceived people
- ❖ **Set a minimum age for donors** to ensure greater maturity and economic stability before donations are made with financial incentives, and to protect the health and prevent exploitation of egg donors
